

MOVEMENTS OF PRINCE NAPOLEON.

The Cleveland Leader gives the following memorandum of the movements of Prince Napoleon and suite:

Prince Napoleon and suite left Cleveland Aug. 19, on the steamer North Star, for Lake Superior and arrived at Duluth on the morning of the 21st. In the evening the Prince and Commandant Bonelli took a walk around the city. At 9 p.m. the Hon. Lewis Cass called him at the boat, and taking carriage drove around the city until 12 m. At Detroit the North Star raised full color. French flag by the side of the Stars and Stripes, which was then lowered to all the party. Arrived Sault Ste. Marie at 5 p.m. on Wednesday. Here the Prince, accompanied by two of his suite, went down the rapids in a birch-bark canoe, guided by two Indians. He appeared much pleased with the excitement it caused. On his return he examined the locks and everything connected with them with a great deal of interest.

At Marquette the Bay de Noquet and Marquette Railroad Company placed a train of cars at the disposal of the company, and they, accompanied by a hundred guests and ladies, went to the Iron Mountains, a distance of eighteen miles. The Prince's party rode on the engine and platform of the car, being desirous to see these immense mountains of iron to the best advantage. They obtained some choice specimens of iron to take home with them.

At Portage Lake Monsieur Henry F. Quarz d'Aligny came on board to accompany the party to the head of the Lakes. He being a French Mining Engineer, and well acquainted with the country, gave them much valuable information.

At Eagle Harbor the Prince and party left the boat, accompanied by Mons. d'Aligny, and visited the Copper Falls mine, and also the Chaff Mine. Mr. Watson, the agent, gave one of the party—traveling overland some time ago, and returning to the boat at Eagle River. Met a government Indian, being dared by the Indians to speak to the Prince, caught his old cap in his hand, and with a smiling face and outstretched hand, walked up and saluted the Prince with, "Ooh, yer honor, a long life to ye!" The Prince took the outstretched hand and raised his hat, causing much merriment.

At Bayfield some 15 Indians came down to the boat, and attired in their fighting costume, with painted faces, danced their war dance, which amused the Prince very much.

At Ontonagon, the whole party went on shore, and examined some of the cabinets of specimens, purchasing some very nice.

At Houghtaling, on our return, the Prince and suite, accompanied by a few gentlemen, went some eight miles, to the head of Portage Lake, being absent from the boat some two hours.

At Sault Ste. Marie, they walked around the town for some time.

The foreign bill market has not been active for this steamer; rates are without change.

Freights—Rates are heavy at the close. To Liverpool, 18,000 bushels Wheat at 11d., in bulk and bags; 30,000 bushels Corn, in shipper bags, at 10½d.; 50 hds. Lard at 2½d.; 1,600 bbls.
